@ sudarshan834002@gmail.com  
9142640083

Sindri , dhanbad , jharkhand  
in <https://www.linkedin.com/in/sudarshan-kumar-7b1269326>

## EDUCATION

2 | Government Polytechnic Bhaga, Dhanbad  
Diploma and Computer Engineering  
7.98

## SKILLS

- Java
- Python
- JavaScript
- Html & CSS
- Flask
- GitHub
- MySQL Workbench

## PROJECTS

- **TaskFlow - Full Stack Task Management App**  
Tech Stack : HTML, CSS, Javascript, Flask & PostgreSQL  
• Developed a Full Stack task Management application with CRUD functionality for creating, updating and deleting task.  
• Build REST full APIs using Flask and integrated with PostgreSQL for data storage.  
• Designed a responsive frontend using frontend using Javascript with reusable components and state management.  
Integrated GitHub for version control and deployed the application using render

## PERSONAL DETAILS

- GitHub : <https://github.com/sudarshankumar07>
- LeetCode : <https://leetcode.com/u/BCDqP04k7R/>

## PRACTICE

- Consistent Leetcode Problem Solver
- Solved Arrays Problem & Implemented Binary search
- Understand String methods and perform Operation on Strings
- Understand Implementation of backtracking & sorting
- Implemented Merge Sort & Quick sort
- Learn Data Structures LinkedIn List, Stack, Queue, Deque & Binary Trees.
- Implemented Data Structures concepts and solved problem of Leetcode

## STRENGTHS

- Strong Logical Thinking
- Consistent & Discipline learner
- Quick learner
- Willingness to learn new technologies

## ACHIEVEMENT & ACTIVITIES

- Maintaining consistency in daily coding & DSA practice
- Regularly sharing coding progress & solutions on LinkedIn
- Improving Technical Communication & problem solving skills continuously

## CORE CONCEPTS

- Data Structures & Algorithms
- Object Oriented programming
- Recursion
- Time complexity Analysis
- Basic Database Concept
